

GIGABYTE C102 GLASS Midi Tower White

Model: GB-C102GI

Manufacturer: GIGABYTE

EAN: 4719331554842

Product Code: 824240

R1,761

OPTIMIZED AIRFLOW DESIGN

The front, top and partial right-side panels are vented design, delivering generous airflow for optimized cooling with premium aesthetics.

TEMPERED GLASS SIDE PANEL

Built with 4mm tempered glass on the side panel, which adds a filter to the internal RGB lighting device, making your PC parts a stunning showpiece. The non-drilled glass design effectively reduces the risk of fragmentation, allowing users to remove it with ease and safety, also extending the product lifespan.

I/O PANEL

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Equipped with two USB 3.0 ports, audio ports, a reset button and a power button.

DETACHABLE MAGNETIC FRONT PANEL

The front panel features a magnetic design, enabling gamers to effortlessly remove it for device replacement and routine cleaning.

PSU SHROUD DESIGN

Enjoy a clean look by hiding the PSU and those messy power cables inside the PSU shroud, while separating the PSU heat from the rest of the internal system. With the window design on the left side of the shroud, users can show off the cool outlook of PSU.

DETACHABLE DUST FILTER

The filters keep your PC from accumulating dust, while maintaining optimal cooling performance. The magnetic filter of top and right-side panels, along with the removable filter at the bottom, make maintenance easy.
