

sE Electronics sE7 - studio condenser microphone

Model: 819032011539

Manufacturer: SE ELECTRONICS

EAN: 819032011539

Product Code: 824980

R2,523

Certification: IEC 61938 | Packaging content: Mic clip (with thread adapter) | Number of products included: 1 pc(s) | Recommended load impedance: 1000 Ω | Microphone frequency: 20 - 20000 Hz | Voice coil type: Condenser | Operating voltage: 48 V | Type: Studio microphone | Microphone weight: 128 g | Microphone sensitivity: -34.5 dB | Diameter: 2.3 cm | Equivalent noise level: 16 dB | Low-cut filter: 80 Hz | Device interface: XLR-3 | Power consumption: 3 mA | Height: 120 mm | Microphone input impedance: 200 Ω | Microphone Signal-to-Noise Ratio (SNR): 78 dB | Product colour: Black | Product colour: Red | Microphone direction type: Cardioid | Microphone dynamic range: 140 dB | Sensitivity (1kHz): 19 mV/Pa | Windscreen included: Yes | Connectivity technology: Wired | Attenuation pad: 20 dB
