

Severin MW 7886

Model: 7886-000

Manufacturer: SEVERIN

EAN: 4008146042041

Product Code: 831438

R2,206

The Severin MW 7886 is a beautifully designed microwave oven with stylish chrome elements. The practical and compact microwave oven with a capacity of 17 liters is suitable for any kitchen due to its size.

Defrost function and 30-minute timer

The easy-to-use microwave oven has six power levels with a maximum power of 700 W. These also include a defrosting function for gentle defrosting of frozen food. It is easy to select the desired power level with the microwave buttons. With the oven's knobs, you can also use the timer, which can be set to up to 30 minutes.

An interior that's easy to clean

The microwave has a lacquered and heat-resistant inside that is easy to keep clean. A rotating plate with a diameter of 24.5 cm is also included with the oven. The plate can be easily removed when needed.
