Are you looking for an efficient and versatile oven that can handle larger meals? Our XXL tabletop oven with a capacity of 46 litres is the perfect solution for you! With this spacious oven, you can easily prepare everything from delicious pizzas and crispy chips to juicy buns, sweet cakes and grilled chicken.

One of the most distinctive features is the convenient rotating skewer, which is ideal for cooking whole chickens. This will allow you to achieve a smooth and perfectly grilled surface every time, ensuring that the chicken will be both tasty and juicy.

To ensure optimal baking results, our XXL oven is equipped with an advanced convection function. This technology circulates hot air around the food, which gives an even cooking and a lovely crispiness, whether you're baking bread or cooking a gratin. In addition, the top and bottom heating elements can be connected separately and combined, giving you complete control over the cooking process.

With adjustable temperatures from 100 to 230 °C, you can easily adapt the heat to your specific needs. Whether you want to bake, grill or roast, you always have the right temperature to achieve perfect results.

Don't miss out on using the included pizza stone which is 29cm in diameter and gives your pizzas an extra crispy and crispy base.
