Outdoor 4 is our fourth generation wireless smart security camera that helps you protect your home inside and out right from your smartphone.

See and speak from the Blink app — Experience 1080p HD live view, infrared night vision, and crisp two-way audio.

Two-year battery life — Set up yourself in minutes and get up to two years of power with the included AA lithium batteries.

Enhanced motion detection — Be alerted to motion faster from your smartphone with dual-zone, enhanced motion detection.

Person detection — Get alerts when a person is detected with embedded computer vision (CV) as part of an optional Blink Subscription Plan (sold separately).

Save and share clips — Securely store your footage in the cloud with a free 30-day trial of a Blink Subscription Plan. You can also back it up locally with your included Sync Module 2 and a USB drive (sold separately).

Works with Alexa — Connect to an Alexa-enabled device to engage live view, arm and disarm your system, and more using your voice.
