corner cover both contains and conceals the 24cm connecting cable, so you’ll never have to worry about forgetting or losing it. With such integrated smarts and style, ZenDrive V1M is an indispensable companion that's easy to take with you everywhere.

COMPATIBILITY

Perfect companion for latest-generation laptops

ASUS ZenDrive V1M supports both Windows and macOS. With its any-way-up USB-C cable, ZenDrive V1M plugs straight in popular modern laptops – ready for instant multimedia playback or backups.

M-DISC SUPPORT

Save your precious photo, video and data for generations

ASUS ZenDrive V1M supports M-DISC, an archival-quality storage solution to protect your precious digital memories — from family photos to home videos and more. M-DISC-burning technology engraves recorded data into a patented rock-like layer that is resistant to extreme conditions, allowing you to save your lifetime memories and important data for up to 1,000 years.

SOFTWARE

Everything you need in a DVD drive and writer

ASUS ZenDrive V1M provides comprehensive and easy-to-use software solutions for Windows. Everything you need is included to protect your precious data, giving you total peace of mind.
