

Ugreen 10902 storage drive enclosure SSD enclosure Grey M.2

Model: 68861

Manufacturer: UGREEN

EAN: 6957303819027

Product Code: 838755

R1,016

Portable NVMe M.2 SSD External Enclosure

UGREEN M.2 USB-C Enclosure is designed to house an M-Key or M+B Key NVMe PCIe SSD and turn it into a portable USB 3.1 external drive for maximum utilization. Tool-free and no driver needed, just plug and play. Ideal for cloning files, backing up data, reusing old M.2 SSD, expanding storage space.

10Gbp SuperSpeed & UASP Supported

The USB 3.1 interface incorporates with UASP (USB Attached SCSI Protocol) that enables it to perform a 70% faster read speed and 40% faster write speed than conventional USB 3.1 when used with a UASP-enabled host computer.
