Are you in love with your preloved phone? I mean heart-pounding-can't-live-without-you in love? Then this 360-degree protection pack is your knight in shining armor. Featuring an original screen protector and ImpactCase from SAFE. by PanzerGlass®, this protection pack keeps your refurbished phone SAFE. from screen smashing streaming, couch chilling catastrophes and other fumbling, stumbling and dropping disasters.

The screen protector has an Ultra-Wide Fit and covers the entire front surface of your phone to provide excellent screen protection and a crystal-clear screen view. The wireless charging compatible ImpactCase features a stiff, transparent back cover surrounded by a softer frame and has been tested to withstand several drops from a height of 3.6 meters.

Even installation is easy. Just apply the screen protector – usually one attempt is enough, and should

you need more, it can be re-installed up to 200 times. When you're done, click the case on. Once everything is installed, you can breathe freely, knowing that you'll never again fear the terrifying sight of your refurbished phone tumbling to the ground. This may not happen, but if it does, you'll regret not having clicked "add to cart".

It is more protection, low price and less waste. It is SAFE.
