of daily direct sunlight ensures all-day monitoring

### **Crisp Clear Details with 2K Clarity**

Sharper visuals in 2K resolution surpass standard 1080p. Advanced exposure algorithms dynamically correct overexposed areas for continuous high-quality imagery in real-time.

### **Full-Color View, Day and Night**

Achieve crystal-clear visibility of intruders, even in complete darkness, thanks to the large aperture lens and built-in spotlights. Capture vibrant color night vision up to 30ft away for enhanced security.

### **Adaptable Storage Solutions**

Choose your preference from on-device microSD card storage, or Tapo Care cloud service. Tailor your security to suit your needs.

#### **Local microSD Storage**

Supports up to 512 GB microSD card (not included).

#### **Tapo Care Cloud Service**

Receive rich notifications with snapshots, encrypted protection, data backups, and 30-day video clip history with Tapo Care cloud service.

### **Built to Withstand Rain and Heat**

Tapo C410 KIT boasts an IP65 rating, ensuring dust and water resistance. It can withstand various harsh weather conditions, including rain, snow, dust, and bright sunshine, operating reliably in temperatures ranging from -4 to 113°F.

### **Privacy First**

We prioritize your data security and privacy. Tapo Cam employs encrypted video, two-factor authentication, a comprehensive data defense system, and more to ensure your family's privacy.

Features for Added Security and Convenience

### **Talk Through the Camera**

Interact with guests or delivery carriers remotely through clear, two-way audio, offering convenience
