

Acer Predator X32X3BMIIPHUXZ computer monitor 80 cm (31.5") 3840 x 2160 pixels 4K Ultra HD OLED Black

Model: UM.JXXEE.301

Manufacturer: ACER

EAN: 4711474159458

Product Code: 860601

R27,296

Step into the neon-lit future with the Predator X32 OLED. Designed for those who live on the edge of tomorrow, this monitor fuses OLED brilliance with lightning-fast response times. It's not just a display—it's your portal to a realm where every game comes alive in vivid detail.

NEON VISION

Dive into a world where every pixel illuminates with breathtaking contrast and cinematic color. The 4K UHD OLED display with true 10Bit brings visuals to life, while image retention refresh keeps your display pristine and clear.

SPEED DEMON

Embrace seamless gameplay at breakneck speeds. With a 240Hz refresh rate and Dynamic Refresh Rate (DFR) capability, along with a 0.03ms (G to G) response time, your sessions will be fluid, unbroken, and unmatched – leaving ghosting in the dust.

VIVID REALITY

Colors leap off the screen with the DCI-P3 99% color gamut, Delta E1 accuracy, and VESA DisplayHDR True Black 400. Immerse yourself in the most vivid and lifelike imagery your games have to offer.

FLAWLESS FLOW

Enter the game with AMD FreeSync Premium Pro (application in progress) and NVIDIA G-SYNC Compatible technology. Each display is validated to deliver a smooth, variable refresh rate (VRR) gaming experience, eliminating tearing, stuttering, artifacts, and flicker.

INFINITE CONNECTIONS

Connect effortlessly with top-tier technology. The Predator X32 OLED includes Type-C and HDMI 2.1 ports, alongside a built-in KVM switch, ensuring seamless transitions between devices.

ADAPTIVE COMFORT

Achieve the perfect viewing angle with the flexible Ergostand. Tilt, swivel, and height adjust to suit any environment, enhancing both comfort and immersion in your gaming world.
