

Microconnect MC-MDPS-EU2- 30W not categorized

Model: MC-MDPS-EU2-30W

Manufacturer: MICRO CONNECT

EAN: 5715063720219

Product Code: 866625

R1,940

Elevate your workspace with the Multi Desktop Power Socket, designed to meet the diverse power needs of modern environments. This versatile power socket features two Schuko outlets, one USB-A port, and two USB-C ports, providing a combined output of 30W. Whether you're in a conference room, an open office, or a home office, this power socket ensures that all your devices stay charged and ready for use.

The two Schuko outlets offer reliable power for your essential office equipment, while the USB-A and USB-C ports cater to your mobile devices, tablets, and other gadgets. The 30W output is perfect for charging multiple devices simultaneously without compromising on speed or efficiency.

With a 1.8m cable, you have the flexibility to place the power socket wherever it's most convenient, ensuring that power is always within reach. The sleek and compact design seamlessly integrates into any workspace, reducing clutter and enhancing productivity.
