

Microconnect MC-PCIEX4- X540-T2-D not categorized

Model: MC-PCIEX4-X540-T2-D

Manufacturer: MICRO CONNECT

EAN: 5715328014534

Product Code: 866634

R3,327

The Intel X540-T2 Dual-10GbE Converged Server NIC offers reliable and cost-effective 10 Gigabit Ethernet over copper, built on the proven Intel X540 chipset. With a PCIe Gen2 x4 interface, it's ideal for legacy and mid-range server platforms needing high-speed networking and converged I/O support.
