

Lanview MO-L-S31123CXL10 network transceiver module Fiber optic 1000 Mbit/s SFP 1310 nm

Model: MO-L-S31123CXL10

Manufacturer: LANVIEW

EAN: 5711045482649

Product Code: 866885

R1,131

EET has expanded the offerings to support a wide range of optical transceivers ranging from GBIC to XFP. All of the products comply with MSA and environmental standards.

Why 3rd party transceivers?

OEM's such as HP, Cisco, 3Com (HP) and many others don't make any transceivers themselves but relabel standard products and add huge margins. We have decided to give our customers a choice.

Buy original or save up to 60 % and get high quality products with:

- 10 Year warranty

- 100% Compatability

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

- Availability from our extensive stock
- High Quality - all products are tested
- Huge savings on quality alternatives to “originals”

Buying MicroOptics Transceivers from EET Nordic
does not mean your equipment warranty is void.
