Accessory kit for Dreame D20

The Dreame D20 Accessory Kit is a complete package of interchangeable parts to bring your robot back to full performance and keep it in great shape for longer. Included in the kit you'll find the innovative TroboWave™ Detangling DuoBrush designed to minimize hair entanglement, two side brushes for precise dirt pick-up at the edges, three dust bin filters for improved filtration quality, and three mop pads for effective streak-free floor cleaning. An ideal choice if you want to maintain high cleaning performance and extend the life of your Dreame D20.

Includes

- TroboWave™ brush
- side brush x2
