

InLine 17291D cable gender changer DisplayPort Grey, Black

Model: 17291D

Manufacturer: INLINE

EAN: 4043718338122

Product Code: 870505

R889

90° right-angled DisplayPort adapter: Ideal for installations with limited space behind the monitor or on the wall.

8K UHD compatible: Full support for high-resolution displays and modern graphics applications.

Stable connection thanks to gold-plated contacts: Corrosion-resistant and strong signal – even with frequent use.

Optimised for professional applications: Perfect for AV environments, presentation technology or industrial IT installations.

Compliant with DisplayPort 1.4: Future-proof and compatible with current standards.

The InLine® DisplayPort 1.4 adapter with plug/socket in a 90° right-angled design is ideal for anyone who wants to create a space-saving cable connection. It is particularly suitable for wall installations or devices that are placed close to the rear wall.
