

InLine 17291G cable gender changer DisplayPort Grey, Black

Model: 17291G

Manufacturer: INLINE

EAN: 4043718338153

Product Code: 870508

R889

90° upward-angled DisplayPort adapter: Ideal for vertical cable routing upwards – e.g. for installations under desks or panel mounting.

Full support up to 8K UHD: For the highest image quality in demanding AV setups and professional applications.

Gold-plated contacts: Minimise interference, increase service life and ensure stable signal quality.

Compact and robust design: Ideal for installations with limited space.

Compliant with the DisplayPort 1.4 standard: Future-proof and compatible with current technology.

The InLine® DisplayPort 1.4 adapter with a 90° upward-angled connector is the optimal solution for all installation situations where the cable needs to be routed upwards – for example, under desks, in equipment cabinets or in tight AV panels.
