USB-C ports.

With up to 240 W EPR (48 V / 5 A), the adapter ensures reliable fast charging for compatible devices. The 40 Gb/s data rate enables fast file transfers, ideal for SSDs, memory sticks or high-throughput accessories. Thanks to 8K@60Hz video output, the adapter is also suitable for high-resolution monitors and professional image reproduction.

The sturdy aluminum housing in grey ensures durability and a high-quality look. The USB4 compatibility makes it a future-proof choice for IT professionals, system houses and technical applications.

Connections: USB-C plug to USB-C socket, vertical right/left angled

Compatibility: USB4 / USB 3.2 / USB 2.0 / Thunderbolt 3 & 4

Material: aluminum

Color: grey
