

InLine USB4 adapter, USB-C male/female 180°, aluminium, grey

Model: 35900J

Manufacturer: INLINE

EAN: 4043718334063

Product Code: 870662

R889

180° USB4 adapter for straight, space-saving cable routing

Supports up to 240 W EPR (48 V / 5 A) for maximum charging power

40 Gb/s data rate for fast and efficient data transfers

8K@60Hz video output for brilliant picture quality

Compatible with notebooks, tablets, smartphones and external hard drives

The InLine® USB4 adapter with USB-C plug to USB-C socket in 180° straight design offers maximum performance in a compact, straight design. The flat design makes the adapter ideal for use in confined spaces or on rear USB-C ports where direct, parallel cable routing is required. With up to 240 W EPR (48 V / 5 A), the adapter enables fast charging of current devices. The 40 Gb/s data rate guarantees high transfer speeds for external storage solutions and professional applications. It also supports 8K@60Hz video output - perfect for use with high-resolution displays.
