R1,573

ELEGOO Mars 5 Build Plate (1 pc.)

The ELEGOO Mars 5 build plate provides a solid foundation for resin-printed models, ensuring they adhere securely during the printing process. The refined design supports even alignment and secure positioning of the part in the printer, which translates to print accuracy and repeatability.

Additionally, the compact design and well-thought-out mounting system facilitate installation and daily use, allowing you to quickly prepare the device for operation.

Manufacturer	ELEGOO
Model	50.102.0145
Product Type	Build Plate

Compatibility	ELEGOO Mars 5
