Blitzwolf BW-V1 Projector

The BlitzWolf BW-V1 is a portable projector that combines high image quality, wide compatibility, convenient installation and compact size. With support for 1080p resolution and impressive contrast ratio, it offers realistic and detailed images, both indoors and outdoors. Its ability to project images up to 200 inches makes it ideal for movie screenings, games or presentations, and its long lamp life ensures reliable performance for years to come. In addition, the projector is distinguished by its flexible mounting options and simple operation - the set includes, among other things, a remote control.

Cinematic image quality in your home

The BlitzWolf BW-V1 delivers crisp, detailed images that take home entertainment to the next level. Support for 1080p resolution and high contrast make every detail perfectly visible. What's more, thanks to the wide color range, you don't have to worry about the effect of faded colors. Also noteworthy is the brightness of up to 180 ANSI lumens, which allows you to comfortably watch

movies in different lighting conditions.

Huge image up to 200 inches

The projector offers an adjustable projection size of up to 200 inches, so you can customize the image to suit your needs. Whether you're planning an intimate screening in your bedroom or an outdoor movie theater, the BW-V1 will give you an unforgettable experience!

Compatibility with multiple devices

The projector is equipped with HDMI and USB ports, allowing you to connect a variety of devices such as laptops, game consoles, TV Sticks and media players. This makes it convenient for you to watch your favorite content on the big screen - for example, series from Netflix or YouTube videos.

Several mounting options, portable design

The BW-V1 is lightweight, compact and easy to transport, so you can take it anywhere you need a big screen. Its dimensions are only about 141.5 x 112 x 63.5 mm, and it weighs about 370 g. In addition, the device offers several installation methods - for example, you can place it on a table, mount it on a tripod or attach it to the ceiling.

Included

- Projector
- Power adapter
- HDMI cable
- Remote control
- User manual
