Discover a world of coffee possibilities with La Specialista Arte Evo. This barista-inspired compact coffee machine puts you in control throughout the coffee-making process. With 8 grind settings, 3 temperature profiles, Active Temperature Control and Cold Extraction Technology, it helps you craft the perfect coffee. Explore different coffee bean varieties and enjoy your favourite hot and cold drinks.

A lighter alternative to a classic coffee break

Make a refreshing Cold Brew in under 5 minutes with Cold Extraction Technology. A gentle extraction process keeps the water at room temperature, retaining the floral aroma and natural sweetness of your coffee beans.
