

Imou Titan Pro Dome IP security camera Indoor & outdoor 3200 x 1800 pixels Wall

Model: IPC-U7LP-6V0NE

Manufacturer: IMOU

EAN: 6937479640922

Product Code: 877927

R2,672

Large Sensor: Capture True Colors.

Titan Pro's large target image sensor absorbs more light and captures more nuance — from subtle shadows to vivid colors.

With Titan Pro, see the scene in full color, fine detail, and perfect clarity — just like daylight.

Faster. Smoother. Always Connected.

Supports both 2.4GHz & 5GHz dual-band Wi-Fi 6 for faster, interference-free transmission. PoE option ensures stable power and data in one cable.

With Algo Play, Customizable Intelligence at Your Fingertips.

AOR Mode²: Always Recording, Smarter Storage.

Continuously records 24/7 with full-frame video during events and low-frame capture when idle, saving up to 80% storage without missing a moment.

Titan Pro Helps You Scare Intruders Away.

Personalized Alarm Ringtone, Powerful Volume, Flashing Red & Blue Lights - All to Deter Intruders.

Experience Seamless Two-way Talk.

Talk with others smoothly with less delay.

Tracks What Matters, Turns Where It Needs.

Titan Pro can automatically follow people or vehicles while rotating up to 340° horizontally and 90° vertically.

Full Control, Hands-Free Monitoring.

Set cruise points and time schedules, your camera patrols on its own.

Big Appearance Size, More Powerful.

The large dome design not only looks powerful but acts as a strong deterrent, keeping threats at bay. With a larger bracket and more mounting space, installation is easier and more flexible than ever.

Diversified Storage, Choose the Way You Like.

Video is easily stored and accessed through SD Card, NVR or Cloud storage.

Imou Protect - Level up your security

Imou Protect is a subscription service that is able to empower your IMOU products with advanced cloud computing technology and upgrade your security experiences.
