The Logitech K250 wireless keyboard combines convenience and efficiency for everyday use. Featuring a spill-resistant design and a comfortable QWERTY layout, this keyboard is suitable for home or office environments. With Bluetooth LE connectivity, it operates up to a distance of 10 m, ensuring flexibility and freedom from wires. The adjustable height provides ergonomic comfort for various users, making it suitable for long hours of typing. Built with 64% post-consumer recycled plastic, this keyboard reflects a commitment to sustainability while delivering reliable performance.
