Model: EFL-AltCharFusCab 2m

Manufacturer: ECOFLOW

EAN: 4895251637329

Product Code: 878796

R2,270

EcoFlow Alternator Charger Extension Cable (2 m)

The alternator charger extension cable conveniently extends the connection range and makes it easier to install the power system in your vehicle. The additional 2 m length provides greater freedom when routing the cable, helping you better adapt the installation to the available space. This is a practical accessory for users who want to easily expand their setup and ensure an even more flexible configuration.
