Iced coffee

HiBREW H2B will also allow you to prepare iced coffee, which is perfect for hot days. To prepare a refreshing drink, press and hold the power button for 2 seconds. Then set the intensity, and press the dedicated button to start making coffee.

Delicious coffee in 40 s

The HiBREW H2B coffee maker operates with 1450 watts of power and uses a pressure of 19 bars. What's more, it heats up quickly and is equipped with a temperature monitoring function, so you're assured that it's completely safe to use. What's more, it only takes 40 seconds to prepare a stimulating espresso.

Thoughtful design

The device is designed to make using it convenient and safe. The espresso machine is equipped with a drip tray, which you can easily clean. The handle is made of stainless steel and coated with copper, and the water tank was created from high-quality materials that do not contain harmful BPA. In addition, the modern design of the coffee maker will perfectly blend into the interior of almost any kitchen.
