RUBID 400

HIGHEST LEVEL OF COMFORT

Rubid 400 is an ergonomic pad that will effectively cushion the wrists during the game and provide them with correct ergonomic position. Thanks to this, you will not feel strain even after many hours spent at the keyboard. Do not let fatigue dictate the outcome of your game!

STABLE

The bottom of Rubid 400 is covered with a special non-slip rubber that will guarantee stability on any surface. Thanks to this, you can be sure that the pad will remain in place even during the most dynamic movements.

HIGH QUALITY OF WORKMANSHIP
