HiBREW H3A 4-in-1 capsule coffee maker

Want to enjoy aromatic coffee at home? Opt for the HiBREW H3A 4-in-1 capsule coffee maker to make your favorite beverage quickly and conveniently. The machine is compatible with Nespresso and Dolce Gusto capsules, and also allows you to brew ground coffee and use ESE sachets. The device uses a pressure of 19 bars, which translates into deep coffee flavor, while the power of 1450 watts ensures efficient operation. The water tank has a capacity of 1 L, plus the machine allows you to adjust the size of your coffee.

Coffee in several ways

The HiBREW H3A allows you to brew coffee in several ways, making it a great option for the whole family and people who don't like monotony. The device is compatible with Nespresso and Dolce Gusto capsules, plus it allows you to brew ground coffee. This is not the end of the possibilities! The

H3A also allows you to prepare coffee using ESE sachets. Importantly, you can also customize the size of your coffee and choose from 70 or 110 ml capacity.

Perfect aroma

The HiBREW H3A capsule coffee maker is distinguished by its 19 bar pressure and 1450 watts of power, allowing you to extract maximum aroma and enjoy deep, intense coffee flavor. The device heats up quickly and maintains a stable temperature, the advantage is also easy operation - just fill the reservoir with water, place the desired capsule or coffee and press the appropriate button.

Well designed

The coffee maker is made of solid materials, so it is scratch-resistant and will serve you for a long time. It has a practical drip tray that you can easily remove and wash, moreover, the water tank was created from safe, BPA-free material. That's not all - with the touch of a button you can change the mode and prepare iced coffee to cool you down on a hot summer day.
