

LANBERG rack cabinet 19 free- standing 37U 600x600 flat pack mesh door LCD black

Model: FF01-6637-23BL

Manufacturer: LANBERG

EAN: 5901969446821

Product Code: 879598

R14,990

The Lanberg FF01 series rack is designed to meet various mounting needs with its versatile floor-standing and freestanding placement options. Constructed from cold rolled steel, this cabinet features a sleek mesh door that enhances ventilation, while the built-in LCD screen, thermostat, and dual cooling fans ensure optimal temperature management. With inner dimensions of 48 cm depth and a capacity to support up to 1200 kg, it is suitable for a wide array of applications in professional environments. This flat pack design simplifies assembly, allowing for easy transportation and setup. The rack is equipped with essential hardware, including grounding cables, M6 screws, side and rear locks, and wheels with brakes for enhanced mobility. Its compliant standards such as ETSI, DIN, and IP20 make it reliable and secure for housing valuable equipment, while the 210° opening angle and perforated front and rear doors aid in efficient access and airflow.
