Accessory kit for Dreame D20 Pro

The Dreame D20 Pro Accessory Kit is a practical set of equipment for your device to keep it at peak performance for longer. The set includes a TroboWave™ DuoBrush to prevent tangles, 2 side brushes to pick up dust near the edges, 3 dust bin filters to trap fine debris, and 3 mop pads to effectively freshen floors as you mop. An ideal choice to keep the device fully efficient and ensure maximum hygiene at home.

Included

- TroboWave™ DuoBrush
- side brush x2
- dust container filter x3
