ISEASY MGBG-312A gas hob with 2 burners (white)

The IsEasy MGBG-312A gas hob combines aesthetics and performance. Equipped with an elegant glass panel, it gives your kitchen a modern look and is very easy to clean. With two burners rated at 3300W and 1000W, it is perfect for everyday cooking, ensuring efficiency and saving time. It also stands out for its compact size and built-in option, making it a great choice even for small kitchens.

Optimal cooking performance

With two heating zones adapted to different needs, the IsEasy hob allows you to prepare food in ideal conditions. The large 3300W burner is perfect for frying or quick cooking, while the smaller 1000W burner is ideal for tasks such as stewing or reheating.

Easy to use and clean

Convenient control knobs provide precise control over the flame size, and their non-slip design ensures durability and ease of use. In addition, the glass surface of the hob makes cleaning quick and easy – just wipe it with a damp cloth to remove dirt and restore its shine.

Ideal for small spaces

An additional advantage of the hob is its compact size – only 31 x 51 x 11.5 cm. You can also install it in a 47.5 x 26.5 cm recess. This allows you to easily integrate it into any interior design while saving space in your kitchen! It is the perfect solution even for small spaces.
