

GEMBIRD CAT5e FTP LAN cable stranded 305m

Model: FPC-5004E

Manufacturer: GEMBIRD

EAN: 8716309016506

Product Code: 882113

R2,804

The Gembird FPC-5004E networking cable provides a reliable solution for various networking applications. This bulk cable is designed with FTP technology and features a stranded configuration, ensuring efficient data transmission and flexibility during installation. With compliance to ISO 9002 and RoHS standards, this cable meets requirements while promoting a safer and more sustainable environment.

The CAT 5e classification ensures compatibility with multiple devices, while its 24 AWG construction provides optimal performance for home or office networking setups. Whether for residential or commercial use, this cable delivers practicality and reliability, making it an essential addition to any networking project.
