

GEMBIRD CAT5e FTP LAN cable solid 305m

Model: FPC-5004E-SO

Manufacturer: GEMBIRD

EAN: 8716309016490

Product Code: 882114

R3,150

The Gembird FPC-5004E-SO is a CAT 5e bulk network cable designed for reliable performance in various networking environments. The solid construction with 24 AWG American Wire Gauge ensures durability and efficient signal transmission, making it ideal for both residential and commercial applications. Emphasizing convenience, this cable features a REELEX package that simplifies installation while reducing the hassle of tangled wires. Compliant with ISO 9002 and RoHS standards, this cable meets requirements and promotes an environmentally friendly approach to connectivity.
