Accessory Kit for Dreame D20 Plus

The Dreame D20 Plus Accessory Kit is a complete package of interchangeable parts that will keep your cleaning performance at its peak for longer. It includes the innovative TroboWave™ DuoBrush to prevent tangles, two side brushes to precisely pick up dirt at the edges, three dust bin filters to maintain consistent suction power, and three antibacterial mop pads for hygienic floor cleaning. The whole set is completed with two 5-liter dust bags, which guarantee long and trouble-free operation of the station.

Included

- TroboWave™ DuoBrush
- Side brush x2
- dust container filter x3
- Mop pad x3
