Puluz Rotating photo stand with power socket 45 cm (black).

Are you looking for a stand to display your jewelry, watches, handbags, or maybe your car model collection? The Puluz rotating stand with a diameter of 45 cm will be great for your home, as well as for a store window or photo studio. The device rotates 360 degrees, and its volume level does not exceed 50 dB. The included remote control will allow you to conveniently control the stand, and the built-in power socket will allow you to plug it in.

Convenient and simple operation

The Puluz coaster is exceptionally easy to use. It has only one button with which you can turn the device on and off, as well as change the direction of rotation. The device rotates 360°, which will allow you to fully present your product, and the remote control will allow you to control the stand from a distance. In addition, it is equipped with non-slip features that provide reliable stability on
