

ICY BOX IB-DK4090-C Docking USB 3.2 Gen 2 (3.1 Gen 1) Type-C Black

Model: IB-DK4090-C

Manufacturer: RAIDSONIC

EAN: 4250078174318

Product Code: 882476

R3,708

The ICY BOX IB-DK4090-C is a docking station designed to enhance productivity and connectivity. It features an integrated USB-C cable for simple connection, and supports a variety of interfaces such as HDMI, audio, Ethernet, and USB 3.2, catering to multiple needs in a single device. With a maximum resolution of 3840 x 2160 at a 60 Hz refresh rate, it provides crisp visuals for presentations or entertainment, while the aluminum enclosure ensures durability and a professional look.

This docking station is powered via USB and offers Power Delivery up to 85 W, enabling charging alongside data transfer. With multiple video outputs, users can connect up to three displays via HDMI, streamlining setups in office or home environments. The inclusion of Gigabit Ethernet ensures reliable Internet connectivity, making it an ideal solution for users seeking efficiency and flexibility.

Product Description: ICY BOX - docking station - USB-C - 3 x HDMI - 1GbE | Product Type: Docking station | Docking Interface: USB-C | Video Interfaces: 3 x HDMI | Colour: Black | Networking: Gigabit
