If you work on the go and in the office, need a privacy screen that supports a laptop with a 16:10 aspect ratio, and regularly switch from using a privacy screen for visual security and removing it for collaborating with colleagues, the MagPro Magnetic Privacy Screen for Laptops (16:10) is the perfect privacy screen for you.

Designed to support today's ultra-thin laptops with exceptional form, fit, and function, the MagPro Magnetic Privacy Screen for Laptops (16:10) easily attaches and detaches as needed, allows full device closure and sleep mode functionality without removal, and provides professional-grade privacy screen protection.

An ideal choice for hybrid workers who want a simple solution for protecting onscreen data from prying eyes and the option to quickly attach or detach the privacy screen without damaging their device. At your desk or on the go, the MagPro Magnetic Privacy Screen for Laptops (16:10) offers everything you need in a privacy screen.
