

Lanview LVN122165 networking cable

Model: LVN122165

Manufacturer: LANVIEW

EAN: 5715063353141

Product Code: 885031

R10,001

Lanview Cat6a U-FTP LSZH cables are manufactured and tested to the ISO/IEC 11801, EIA/TIA 568B and EN50173-2 standards. Each cable consists of 4x2 color coded PE insulated conductors. Suited for high speed cabling systems where there is a need for large data traffic. Especially suited for noisy environments or where there is limited space in the cable routes.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
