SlideShow

SlideShow displays images and information from the radio station (when broadcast).

Bluetooth 5.3

Simple, fast and flexible: Use Bluetooth to wirelessly stream audio from other devices, such as your smartphone or tablet.

BestTune

BestTune combines FM, DAB, and DAB+ into a single station list and auto-selects the best service based on signal strength.

12 hour battery life

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Powered via a built-in Lithium-ion battery (12 hours) or mains power supply.

Sound output

Use the built-in stereo speakers with 6W RMS total power output or the headphone jack for personal listening.

Auto tune/scan

Automatically scans the frequency range and adds found stations.

Dual alarm

Featuring two independent alarms, allowing you to wake up to your favorite radio station or automatically tune into a scheduled show.

Digital Radio Tick certified

Tested and approved to ensure the radio is future-ready.

Auto time/date

The radio uses the broadcast signal to automatically update the time and date.

Multi-language interface

7 system languages: English, German, Spanish, French, Italian, Dutch, and Polish.

Station memory

Store up to 120 individual radio stations (40 BestTune, 40 DAB, 40 FM).
