27’’ IPS QHD monitor with a built-in 5MP Windows Hello camera, microphone, USB-C Dock, LAN, KVM-Switch and 15cm height adjustable stand

The ProLite XB2797QSNPH is a 27” QHD monitor built for professionals who want a tidier workspace, smoother multitasking and greater comfort throughout the day. The IPS panel delivers sharp detail, accurate colour and wide viewing angles, making it ideal for spreadsheets, creative work and detailed documents. A DisplayPort output also enables a quick dual-monitor setup for greater screen space and higher productivity.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The integrated USB-C dock with 96W power delivery carries video, audio, data and power through a single cable, helping reduce desk clutter and making laptop connection fast and simple. An RJ45 port provides a stable wired network connection without extra adapters, while the built-in KVM switch allows control of two computers with one keyboard and mouse for a more seamless workflow.

For modern collaboration, the monitor features a built-in 5MP autofocus webcam with Windows Hello for secure sign-in and professional-looking video calls. An ergonomic stand with 15cm height adjustment, tilt, swivel and pivot helps achieve a comfortable viewing position, while TÜV Rheinland Eye Comfort certification supports reduced visual fatigue during long working days.
