R16,193

The Samsung QE50QN80HAU television delivers an immersive viewing experience thanks to its Neo QLED technology. With a stunning 50-inch display and 4K UHD resolution, images come to life with clarity. The Quantum Mini LED backlight enhances contrast and brightness, while the Supreme Mini LED Dimming technology ensures deeper blacks and brighter highlights for dynamic visuals. Enjoy a rich audio experience with Dolby Atmos and a total output power of 30 watts, complemented by features like Object Tracking Sound Lite and Active Voice Amplifier Pro for enhanced acoustics tailored to your room's environment.

Connectivity is seamless with four HDMI ports, two USB ports, and options for LAN and wireless connectivity. The television supports various smart features, including web browsing, streaming services, and smartphone remote control, making it a versatile choice for entertainment needs. Enjoy gaming with advanced modes that include Auto Low Latency Mode and Game Motion Plus, ensuring smooth gameplay and responsive performance. With an array of customization options and
