Freewell Sherpa Series Magnetic Mist 3-in-1 Filter

The Freewell Sherpa Series Magnetic Mist 3-in-1 is a versatile filter designed for creators who want to quickly adjust the look of their images to suit any scene. In a single accessory, you get three diffusion options (Gold, Noir, and Snow), each with a 1/4 Mist intensity, allowing you to give your videos and photos a more cinematic look, subtly soften the light, and create a unique atmosphere without having to swap out your entire set of accessories.

Instant Installation and Full Mobility

Thanks to its magnetic Snap-On design, you can attach or remove the filter in just a second. It's the perfect solution for those working in dynamic conditions where quick reactions and the ability to instantly change the effect are essential. The filter was designed specifically for Freewell iPhone
