

Photovoltaic panel set 2x EcoFlow 100W (rigid structure)

Model: 5006101005

Manufacturer: ECOFLOW

EAN: 4895251602709

Product Code: 895175

R4,650

Package of 2x EcoFlow 100W photovoltaic panel

Get access to free and ecological electricity. EcoFlow photovoltaic panels are distinguished by a robust, resistant to various weather conditions construction. The use of modern technologies affects the efficiency of the product, and the MC4 cable is responsible for fast and convenient installation.

Performance and durability

The product is characterized by solid workmanship, so it is resistant to damage and will serve you for a long time. The panels are finished with a clear glass coating, while the frame is made of corrosion-resistant aluminum. What's more, the monocrystalline cells are responsible for a conversion efficiency of up to 23%.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Quick and easy installation

Installation of EcoFlow photovoltaic panels will not cause you any problems. Thanks to pre-drilled holes, you can easily mount them on the ground or on the roof. What's more, a 1m MC4 cable connected to every panel will help you install them.

Specification:

Brand	EcoFlow
Name	EcoFlow 100W photovoltaic panel (rigid structure)
Rated power	100W
Open circuit voltage	20.3V
Short-circuit current	6.3A
Maximum operating voltage	17.1V
Maximum operating current	5.9A
Maximum system voltage	600V DC (UL)
Maximum fuse current	15A
Connector	MC4
Conversion efficiency	23%
Dimensions	98x58.6x3cm

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Weight

Approx. 6.2kg

Number of pieces in the set

2

Konstrukcja: Sztywna, Panel dwustronny: Nie, Rekomendowane do Power Stream: Tak, Sprawność energetyczna: >23%, Waga: do 5 kg, Net weight: 6300, Box width: 10,00, Box height: 71,00, Box length: 110,00, Gross weight: 15000, Type: Rigid, Built-in charge controller: No, Weight (kg): 6.2, Rated voltage (V): 17.1, Rated power (W): 100, Rated current (A): 5.9, GPSR Link: https://psr-assets.innpro.pl/energy/sg_energy_photovoltaiiv_panels.pdf, test: Pakiet 2x Panel fotowoltaiczny EcoFlow 100W (sztywna konstrukcja), GARAN: <https://garan.innpro.pl/ecoflow/4895251602709>
