GODOX ML40Bi LED Video Light

The Godox ML40Bi is a compact 40 W LED video light equipped with dual-color lighting and smooth color temperature adjustment from 2800 K to 6500 K. With a high CRI and a TLCI of 97, it ensures accurate color reproduction, and when used with the included ML-L10 lens reflector, it achieves a light intensity of up to 26,400 lux at a distance of 1 meter. Its compact size, weight of just 425 g, built-in rechargeable battery, and app-based control make the ML40Bi a practical solution for both studio work and on-location shoots.

Compact design for use in various conditions

The ML40Bi was designed for users who need a powerful light source in a compact housing. With dimensions of 97 × 46 × 91 mm and a weight of approximately 425 g, the light is easy to transport and doesn't take up much space in a camera bag. Its compact design also makes it easy to set up in places where space is limited.

Color Temperature and Brightness Adjustment

The color temperature range from 2800 K to 6500 K allows you to adapt the light to existing conditions or create the right atmosphere for your scene. Brightness adjustable from 0 to 100% allows for precise control of light intensity without the need for additional filters. Despite its 40 W power rating, the lamp delivers an impressive amount of light. When used with the included Godox ML-L10 lens reflector, it achieves an illuminance of up to 26,400 lux at a distance of 1 meter. The specially designed reflector effectively focuses the light, increasing its intensity without the need for larger light sources.

Included

- Godox ML40Bi LED light
- Godox ML-L10 lens reflector
- USB-C charging cable

Manufacturer	Godox
Model	ML40Bi
Type	dual-color LED video light
Power	40 W
Color temperature	2,800–6,500 K
Brightness control	0–100%
Light Intensity	up to 26,400 lux (1 m, with ML-L10 reflector, 5600 K)
CRI	approximately 97
TLCI	approximately 97
FX Lighting Effects	11
Control	On the device or via the app
Connectivity	Bluetooth up to 30 m
Lithium-ion battery	4,800 mAh, 3.63 V, 17.424 Wh (2 cells)
Run time	approx. 42 min at 100% brightness
