R1,881

Protection that shields

The Shield Case helps defend your phone against accidental bumps and scratches. Designed for durability, it helps keep your device safe, wherever life takes you.

With the environment in mind

The Shield Case is designed with the planet in mind. Crafted from UL-certified recycled materials, this case preserves your phone, inside and out.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
