R2,166

Samsung toner cartridges are specifically designed to use with your Samsung printer. You'll get first-rate print quality with crisp, vibrant output from the first page to the last. They're easy to install, affordable and deliver, sharp, professional results every time you print.

security label

All Samsung supplies carry a colour changing security label to prove they are original products. 1. When the label is tilted, the colour changes from clear to cyan. 2. The embossed characters change colour between red gold and blue when viewed from different angles. 3. Verification of the embossed character is possible by feeling the texture.

standardise cartridge

Samsung implements ISO standard. It is a trusted test method for determining the page yield of toner cartridges for mono laser printers. Samsung has tested all current laserjet cartridges in accordance with the ISO / IEC 19752 standard, giving customers more confidence and reliability

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

when basing purchase decisions on toner yields.

genuine quality

Original supplies enable consistent printing without reliability problems. Samsung original supplies guarantee high quality pages without quality defects.

easy toner change

Samsung printer cartridges are easy to change by following 3 steps. 1. Open the front cabinet. 2. Change cartridges. 3. Close cabinet.
