R3,077

Versatile Blu-ray burner for the highest demands.

For movies, data or music.

The Intenso EOD 500BD Slim is the perfect companion for anyone who wants to securely store or play back data, movies, or music. This external Blu-ray burner reads and writes Blu-ray, DVD, and CD media at high speeds while supporting a wide range of formats. Thanks to its compact aluminum housing and easy USB connection, it is ideal for flexible use at home or on the go.

Precision technology.

Developed and tested in Germany.

The EOD 500BD Slim is developed and tested in Germany under the highest quality standards. It delivers precise burning results and an exceptionally long service life. With writing speeds of up to 6x for Blu-ray and 24x for CD, the drive ensures efficient performance and maximum reliability. It is compatible with all common operating systems starting from Windows 10 and macOS 10.x or higher.

Fully equipped.

User-friendly.

The package includes a Y-cable (Micro-B to USB-C and USB-A) as well as the full version of Ashampoo Burning Studio software for easy data backup, media creation, and archiving. Its slim design (142 × 148 × 16 mm) and lightweight build of only 250 g make the EOD 500BD Slim especially portable. With modern technology and a durable aluminum case, it's the perfect solution for professional data storage and high-quality media playback.
