The Intenso Power Bank B10000 is the ideal companion when you are on the go and your iPhone, smartphone, tablet or other USB devices need extra power. With a capacity of 10,000 mAh and a total output of 12 W, it supplies your devices reliably and efficiently – whether at home, while travelling or during outdoor activities. Thanks to USB-C in/out and two USB-A outputs, you can charge up to three devices at the same time. Integrated protection mechanisms against overvoltage, overcharging, deep discharge and short circuits ensure a safe charging experience. Four LEDs precisely indicate the current charge level, so you always have full control. The compact design in elegant black feels comfortable in the hand and fits easily into any bag. The package includes a USB-A to USB-C cable, so you are ready to use it straight away. Whether for everyday use or when travelling – with the Intenso Power Bank B10000, you stay flexible and independent of the next power socket.
