

CAMERA WEBCAM C930E OEM/960- 000972 LOGITECH

Model: 960-000972

Manufacturer: LOGITECH

EAN: 5099206045200

Product Code: 930990

R2,039

C930e is an advanced HD 1080p/30fps webcam certified for business that delivers high-resolution video in virtually any environment, including low-light and harshly backlit settings.

Frame yourself and your workspace perfectly with a generous 90° diagonal field of view, HD autofocus, pan, tilt, and 4x HD zoom. RightLight™ 2 enhances image quality and a high-precision lens renders vivid video quality at multiple distances.

C930e supports H.264 with Scalable Video Coding (SVC) and UVC 1.5 encoding to minimise dependence on computer and network resources to produce remarkably clear video and a consistently smooth video stream even when bandwidth is limited.

C930e features dual integrated omnidirectional mics that capture audio clearly up to 1 m away so conversations always sound natural and clear.

C930e is certified for Skype for Business and Microsoft Teams. Certifications and compatibility with
