documents, but can shred staples, paper clips, credit cards and CD/DVD's too! The 550C is built for quieter shredder performance with SilentShred technology, which minimises noise disruption in your workspace. It also offers frustration free shredding, thanks to its Auto Reverse feature that stops the shredder and reverses the paper to prevent jams from occurring. It's Sleep Mode feature will cause the machine to switch to standby mode after 2 minutes of inactivity. Fellowes shredders are built to last with solid steel cutters, a powerful motor and parts that are engineered to outperform our competitors.
