Model: CAC-1187

Manufacturer: CLUB 3D

EAN: 8719214472535

Product Code: 933288

R1,910

MiniDisplayPort™ 1.4 ready PC or any other device that lacks the new HDMI™ 4K120Hz or 8K60Hz specification, the Club 3D CAC-1187 will be the simple way to upgrade your device and connect to your new TV*.

With its DP1.4 DSC video compression technology, this adapter is able to convert DP1.4 video signals to HDMI™, supporting video display resolutions up to 8K (7680x4320/60HZ or 3840x2160/120Hz)** and creating life like colors and movements with HDR10+ giving users the ultimate visual experience. The Adapter is powered thru the MiniDP™ port.
